Found a bug? Got an idea?

Tell us right here on the screen. It only takes a moment.

1. Tap the feedback button at the **right edge** of the screen, right where you noticed it. A screenshot of that moment is sent along.
2. Choose **Bug**, **Idea** or **Other**.
3. If you like, type one short sentence on the on-screen keyboard.
4. Tap **Send**. **Thank you!**
